KS4 Homework – Year 10

Homework remains an integral part of life at Sunnydown; every student has their own chromebook and homework can be completed and turned in to your son's subject teacher with ease. Extensive research has shown that well planned, constructive homework, which is well marked and has appropriate feedback given, is a great motivator. In addition, as a result of developing highly effective habits and routine, outcomes might improve. A likely impact of being active learners and taking responsibility for their own progress, therefore, is improved performance in GCSEs along with the equally important life skills of organisation, resilience and independence

Students will be set a piece of homework for the majority of the subjects they do (please see homework timetable). This means they will have about 5-6 pieces of homework each week and therefore will also have to learn how to manage their time effectively. The boys will be supported in recording the homework in their school planner. Each piece of homework will take up to 45 minutes.

Homework will be given out and collected in by the subject teacher. Some homework will be expected in the next day, others may have longer. Equally, different pathways may have different homework expectations.

If the students have any queries about their homework they should contact their subject teacher in the first instance who can explain the task and provide signposting to helpful websites. Students can go to their form tutor for further assistance if they need to.

The homework timetable is on the reverse of this letter which can be stuck in their homework diaries. This shows what subject will be set on which day and when it is due in.

Please do not hesitate to contact me with any queries.

Yours sincerely

Mrs Jensen
Lead for Quality of Education

Y10 Homework schedule 2024-2025

Homework should take up to 45 mins per subject, be differentiated as appropriate, and marked (ideally within 48 hours) with feedback provided to the learner.

Day	Homework set	Due in
Monday	PE Theory Maths (Pathways 1 & 2)	Next day (Tue) Wednesday
Tuesday	English (Pathways 1 & 2) DT ART	Thursday Next Tuesday (following week) Next Tuesday (following week)
Wednesday	Science (Pathways 1 & 2)	Next Monday
Thursday		
Friday
