### Friday 14th June 2024

Dear all who are associated with Sunnydown,

It is with great excitement that I write this as my period of absence following back surgery is coming to an end as I return in a phased way from today. My recovery and return to work will continue to be overseen by our Chair of Governors and Helen Gower (SBM and HR lead at the school) and it has been recommended I start at approximately 50% capacity and build from there.

In my absence I have been in regular communication with my senior leader colleagues - Jez Lord, Jo Wermig and Helen Gower. To each of them, and without reservation, I extend my gratitude for their understanding, support, but also unwavering dedication, above and beyond, to the Sunnydown community.

I know that the senior leaders have been supported by the efforts of Andrea Jensen in managing the timetable on a daily basis while continuing to monitor the Quality of Education. Ben Wright has supported pastorally and with his usual investment in extra curricular activities.

To my entire staff team - thank you for your well wishes and support, and of course your commitment to our wonderful school and the young men we educate.

To the young men themselves, many of whom have seen me recently as I visit the school intermittently as part of my recovery, thank you also for continuing to actively engage in your learning. Mr Lord has kept me informed of those who have been earning House Points (and money), those that have been working hard, and those that have not met the expectations of the school. I will review this in more detail in coming weeks and where necessary spend some quality time with individuals listening to their version of events, and supporting them in returning to clearly demonstrating appropriate learning behaviours.

On Monday, during Form time and when taxis arrive, there will be a check on some school basics including uniform, Chromebooks and diaries. Young men - I would encourage you to be prepared for learning always and to follow the school expectations. Further in the newsletter today is a reminder about school diaries and uniform.

I am looking ahead to our Annual Golf Day at Farleigh, Year 10 Parents Evening, Friends of Sunnydown meeting, Year 11 Graduation, Inset, Presentation afternoon and our Sports Day. More information on all of these events, including arrangements for the end of term (Monday 22<sup>nd</sup> and Tuesday 23<sup>rd</sup> July) will be sent out in the near future. A busy end to the summer term, but Sunnydown is always busy.

Paul Jensen

#### **INSET Day**

This is just a reminder that next Friday (21st June) is an INSET day.

#### **Lost Property**

On Friday 7<sup>th</sup> June, I spent some time after school collecting all of the various items of clothing that had been left for months in Forest View into three Ikea bags. This was done as an effort to keep our school looking presentable but also to support our students' organisation skills in remembering all of their uniform/equipment. If items are not labelled, it is incredibly unsettling for your son when they can't find them, which inevitably distracts them from their lesson time. Of the **33** school jumpers collected, **7** were named. Please could you support staff by ensuring that all of your son's uniform, PE kit, aprons, bags, pencil cases and shoes/trainers are clearly labelled.

All labelled items have been returned to the relevant students. Having no way of reuniting unlabelled school jumpers to their rightful owner, I have passed them on to the Friends of Sunnydown second hand shop. All unlabelled PE kits have been donated to the PE office as spare clothing.

Please see below the unlabelled coats. If they are not claimed, they will be donated to charity. We appreciate your continued support. Many Thanks.

Miss Newcombe

## Talk Consent.

Education to End Sexual Violence

#### **Talk Consent**

Talk Consent delivers effective education on consent to tackle sexual violence

We deliver workshops and assemblies to school students from Year 5 to Year 13.

All of our sessions are adapted to make sure they are age-appropriate and grounded in the reality of students' lives.

#### **Active Bystander Workshops**

Our active bystander workshops aim to inspire and empower students to call out harmful beliefs and attitudes which lead to sexual violence. We want students to see how they can work to eradicate a culture where rape and sexual assault are so common

#### **Content Summary**

The session aims to help students understand what attitudes exist that can lead to sexual violence, why those beliefs are harmful and how they can challenge them in their lives.

There is a particular focus on misogyny, harmful gender stereotypes and objectification

The session will cover:

- Why it is important to challenge negative behaviour/sexual violence.
- What needs to be challenged and why/how certain beliefs and attitudes can lead to further sexual violence.
- How to feel confident calling things out or challenging them in a way that ensures you stay safe.

#### **Talk Consent**

Last year we had Dan Allchurch and his team from Talk Consent (https://talkconsent.org) come in to see the students and do some workshops with each of the year groups. It was really successful and we received lots of positive feedback from the students.

We are fortunate enough to have Dan and his team come back in on 2<sup>nd</sup> July to speak with Years 7-10 in one hour sessions, which form part of our PSHE curriculum. The topics that are covered are as follows:

- Why is it important to challenge negative behaviours/sexual violence?
- What needs to be challenged and why?
- How certain beliefs and attitudes can lead to further sexual violence
- How to feel confident calling things out or challenging them in a way that ensures you stay safe.

If you have any questions please do not hesitate to contact me.
